### **DETAILED ACTION**

This second Office Action is in response to Applicant's Amendment received in the Office on October 4, 2004 in this case.

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Gene Scott on October 19, 2004.

The application has been amended as follows:

In claim 1, line 4, after "in", --a respective-- has been inserted;  
line 8, after "storage:", --wherein the slots provide opposing  
inner sidewall surfaces, at least one of the sidewall  
surfaces providing at least one protrusion positioned  
for snap-in engagement of the support leg and-- has  
been inserted;  
line 8, "an" has been changed to --said--;  
claim 4, line 2, "vertical" has been deleted; and  
claim 2 has been canceled.

***Allowable Subject Matter***

Claims 1, 4, and 5 are allowed over the prior art of record.

***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance: Regarding claims 1, 4 and 5, the prior art of record does not teach, in combination with the other features of claim 1, an apparatus wherein the slots provide opposing inner side wall surfaces, at least one of the sidewall surfaces providing at least one protrusion positioned for snap-in engagement of the support leg and wherein an upper proximal end of each of the support legs is formed as an inverted V-shape, the slots of the leg receivers each converging upwardly for accepting the V-shape of the support legs in tight-fitting engagement.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kofi A. Schulterbrandt whose telephone number is
